Emergency Information Card for Science Laboratory Doors.

1. The purpose of the preceding card is to provide a quick and easy reference for Campus Safety, maintenance personnel, and others in the event of an emergency affecting a laboratory or laboratories. It also provides emergency phone numbers for faculty, staff, and students for reporting a fire, spill, or injury.
2. The card is 8 ½ by 5 ½ inches in size, yellow in color, with black lettering.
3. Faculty and staff have been provided with cards and have been asked to complete them and post them at eye level on the outside of their laboratory door. Compliance will be checked as part of our Laboratory Safety Survey Program.
