A Plan to Stabilize Tuition

A Multiple-Year Tuition Prepayment Plan
At Colgate University

Colgate University has developed a payment option that will enable families to stabilize tuition charges for the period of the student’s undergraduate career. The Tuition Prepayment Plan offers parents the opportunity to prepay tuition for two, three, or four years at the rate of annual tuition set for the first year of participation in the plan, and protects parents from probable future tuition increases while their son or daughter is enrolled.

For example: Agreements may be made at the current annual tuition rate of $40,690 for four years at $162,760, for three years at $122,070*, or for two years at $81,380.

Eligibility

Parents of students who are not financial aid recipients and are in full-time continuous attendance at Colgate are eligible. Charges for items not included in tuition must be paid as they fall due. Any item now included in the Tuition Prepayment Plan, but billed separately in the future, shall be deemed to have been paid in any year of the Prepayment Agreement. The plan is available only for undergraduate study at Colgate University.

Leave of Absence

Should a student take a leave of absence for a period of up to one year, the tuition prepayment for that year (or semester) will be applied to the next year (or semester) of scheduled enrollment which has not already been prepaid. The assignment of funds to a future year is applicable for a maximum period of up to one year of the student’s undergraduate career. If a student takes a leave of absence for up to one year to earn credit at another institution which will be applied to his or her Colgate degree, a refund of the prepaid tuition for the period of the leave will be made upon request.

Leaves of absence for more than one year will be defined as a withdrawal and a prorated refund will be made as indicated.

Withdrawal From The University

In the event the student withdraws from the University, refund of tuition prepaid will be made for the current year in accordance with the University’s published refund policy. Refunds for future years will be made in the amount prepaid for each year.

Other Provisions

If a student negotiates a Stafford Loan or if the parents take out a PLUS loan, any overpayment will be refunded to the student or parent in accordance with University refund policy. Other overpayments will be handled in the same manner. Prepayments of tuition will apply to the regular August-May academic year. Additional tuition charged for more than full-time attendance is not covered by this plan.

Additional information and application forms may be obtained by contacting the Office of Student Accounts, Colgate University, 13 Oak Drive, Hamilton, NY 13346. Requests may also be made by calling 315-228-7812 or 7421.

*Please note that if you prepay three years, you will not be eligible for prepayment on the single, final year. Prepayment is for a minimum of two years
